**Glenn Strange**

Yes, "Strange" is his name ... his real name. Over 25 years ago Glenn found a magic shop. Forty eight hours later, he had business cards, and was dangerous. He had discovered a tool (magic) that had given him a reason to be funny in public. Up until that time he had only been funny for friends, family, and coworkers, behind closed doors. He started out by performing for kid's birthday parties .... or anyone else that would stand still for two or more minutes. Today, Glenn's funny business specializes in providing quality entertaining programs for corporations, and associations all over the United States. His interactive program uses comedy, magic, with true life humorous stories to make people laugh, feel good about themselves, and look at their life in a bit of a "Strange" way.

Glenn's hometown is Spartanburg, SC  
 He is a graduate of Spartanburg High School and Spartanburg Technical College.

**Linda Jamison**

Linda was born and raised in Chicago, Illinois. At the age of 12, she asked Jesus to come into her heart. Even though she never really knew him, she always felt that He knew her. She was a "Ragamuffin" with God protecting her through mishaps and mistakes. It was later that she cried out to God that, "Something was missing!" At that moment, He answered, 'KNOW ME!' And she was radically changed, and immediately started attending Bible Studies, etc. Linda's husband saw the change in her and wanted the same experience (a whole other story). After five years, God had them on a 10 year moving plan to New Jersey, Florida, and now South Carolina. Through all this they learned to trust and obey God. Her husband is now with Jesus and Linda continues to praise Jesus. She has learned praise signing in Florida and loves praising her Savior with her entire being.
